Plugins

Themes

## Backups Completed

We have created 4 backup(s) of your website during this report period giving you peace of mind!

## Security Checks Completed

We have scanned your website weekly to check for malicious software or malware ensuring your site stays in tip top condition.

( On your current plan we have also installed for free an SSL Certificate. ( normal cost for SSL is \$100 per year ) This is a new requirement from google, anyone without one can now have a message saying site is insecure in google's chrome browser.

As you are on the Standard Plan or above, Webeasy has been looking after your Maintenance and Security of your website for the last month so you did not have to worry about it. We look forward to looking after your website for another month.

Thanks,

Webeasy Admin
